

INDICATOR AREA PARTNERS

Commitment Agreement

Inspiring dialogue, strategy and change.

Spartanburg Community Indicators Project presents data and engages the community in dialogue and strategy that leads to positive change in Spartanburg County, South Carolina.

This agreement aligns Indicator Area Partners across Spartanburg County in support of the Spartanburg Community Indicators Project, a collaboration of seven Sponsoring Partners and seven Indicator Area Leaders working to improve outcomes in Civic Health, Cultural Vitality, Economy, Education, Natural Environment, Public Health and Social Environment.

Cross-sector collaboration is necessary for county-wide improvement in all Indicator Areas since all Indicators are intertwined. Identifying those intersections and the collaborations to impact them is essential.

Spartanburg Community Indicators Project facilitates organizations and individuals as they actively promote civic prosperity by using community indicator data to inform and guide their progress. Sponsoring Partners, Indicator Area Leaders, Indicator Priority Groups and Indicator Area Partners each play a vital role together and individually in Spartanburg County's present and future.

Partners Commit To:

- Connect with Indicator Area Leader(s) and be an active part of Indicator Area Priority Group(s)
- Promote the effective use of data and champion data driven decision-making
- Pursue agreed-upon trajectories and targets for continuous improvement on key metrics
- Meet periodically to review progress toward goals, explore data and its implications, identify key issues for action, and undertake appropriate efforts
- Promote the Spartanburg Community Indicators Project and its work in relevant presentations and print and electronic media

Please complete this section and select your Indicator Area(s) of commitment.
